

# Coloring 101

HELPFUL STEPS FOR COLORING IN  
SHAPES OF ALL TYPES AND SIZES

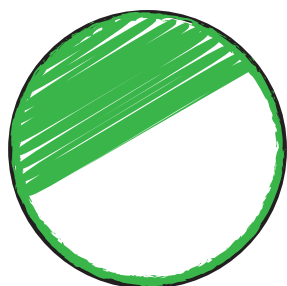

## Step 1 CHOOSE Marker

- Have your child select 1 marker
- Put other markers to the side, to minimize distractions

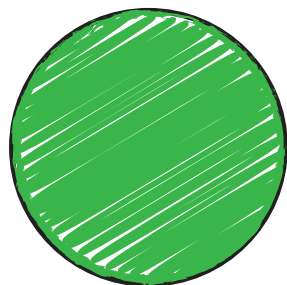

## Step 2 OUTLINE Shape

- Use marker and trace around the circle shape
- Outlining (tracing) helps to define the shape and keep color inside
- Outlining helps define other shapes - smaller shapes - within a picture

## Step 3 START Coloring

- Begin coloring in 1 small area
- Move marker back and forth, in same direction for the entire shape

## Step 4 COMPLETE Coloring

- Try to move marker, back and forth in the same direction
- Try hard not to scribble! (*moving marker in different directions*)
- Cover all the white spots with color
