## Refrain

Lord of all, to thee we raise this our hymn of grate - ful praise.

In the course of many revisions, the original eucharistic emphasis of this text has shifted to a hymn of thanksgiving for a wide range of human experience, with a Christological summation. It is set here to the tune that is customary in North America, though not elsewhere.

This very strong 17th-century German hymn employs many phrases from the psalms, especially Psalms 150 and 103:1-6. It did not receive an effective English translation until the mid-19th century, but has remained popular ever since, thanks in part to its stirring tune.

This 20th-century text was created to provide words for this traditional tune named for a small village on the Isle of Mull, off the west coast of Scotland. Through repeated use of "new" and "first," each morning is treated as a re-creation of the promise of the original day.
