

Announcement: Browser Compatibility

January 23, 2020

Beginning March 24, 2020, as part of ID Watchdog's ongoing effort to enhance security, we will only support web browsers that meet the latest [industry-standard internet security protocols](#). The change may require a small number of our subscribers to upgrade their browser.

Browsers ID Watchdog will support:

- **Chrome** version 78 or higher
- **Chrome for Android** version 78 or higher
- **Firefox** version 71 or higher
- **Firefox for Android** version 68 or higher
- **Safari** version 13 or higher
- **iOS Safari** version 13.2 or higher
- **Microsoft Edge** version 18 or higher
- **Microsoft Internet Explorer** version 11 or higher

Please download the latest version of your web browser to avoid complications with our portal. Here's a link to a [how-to-update-your-browser guide](#) you may find helpful.

Please [email](#) us with any questions or concerns.

Sincerely,

The ID Watchdog Team
