

Doernbecher Gender Clinic and OHSU Transgender Health Program

present:

Affirming and Informed: An Interactive Education Series for Pediatric Gender Affirming Care

This two-part training, for medical and behavioral health providers, is focused on foundational knowledge about the needs of gender diverse youth and different treatment pathways.

Part 1: Asynchronous recorded, web-based sessions. Self-paced; access for up to 60 days before and 30 days after live training

Part 2: Synchronous half-day virtual case-based training with members of the training team.

Thursday, April 27, 2023 1-4 pm via Webex

Registration cost

Participants not needing CME/CE \$50

Participants needing CME/CE \$75
