50th Anniversary Celebration Sponsorship Prospectus

Saturday, November 14, 2026

The Arc Light, 604 7th St, Oregon City, OR, 97045

About our Organization

The Oregon Pediatric Society (OPS), the state chapter of the American Academy of Pediatrics (AAP), and our clinician members are dedicated to ensuring that every infant, child, adolescent, and young adult in Oregon has the opportunity to thrive. While 2026 marks our 50th year as a federally recognized tax-exempt charitable organization, OPS's roots go back even further—to the historic 1929 Portland meeting of pediatricians that founded the national AAP itself.

About the Event

This milestone celebration is more than just a look back; it is a framework for the future that presents a unique opportunity for sponsors to align with our mission and engage with a passionate audience committed to making a difference. Our goal is to raise funds to support Oregon's pediatric providers by ensuring that they have the skills, tools and supports necessary to deliver quality physical, mental, and behavioral health care.

Audience and Reach

- Expected attendance: 160 guests
- Demographics: Pediatric health care providers, clinic practice leadership, elected officials, community leaders, local business owners, and civic partners
- Marketing channels: OPS website, various social media platforms, e-newsletters, partner e-newsletters

Investment Impact

Your investment directly helps sustain our four core strategic priorities:

1. Championing causes focused on the health of infants, children, adolescents, and young adults.
2. Promoting efforts that further the clinical practice of pediatric medicine across Oregon.
3. Supporting OPS members with the resources, education, and community they need.
4. Ensuring the long-term success and financial sustainability of OPS.

Why Sponsor?

Partnering with OPS is a meaningful investment in advancing pediatric health care in Oregon by supporting the dedicated professionals who care for our state's children today and for generations to come. This anniversary celebration marks not only where we have been, but the bright future we are building together with our partners and supporters.
