

Oregon Psychiatric Access Line (OPAL)

Telephone consultation with psychiatrists and developmental behavioral pediatricians available at no cost to all prescribing clinicians in Oregon.

OPAL-K Developmental Behavioral Pediatrics (OPAL-K-DBP)

Call to schedule a consultation appointment.

OPAL-Kids (OPAL-K)

Available to medical practitioners who treat children and youth.

OPAL-Adults (OPAL-A)

Available to medical providers who treat adults.

In collaboration with the Oregon Health Authority, OHSU administers the Oregon Psychiatric Access Line (OPAL) Program which offers medical experts for timely case consultation, regardless of the age or insurance status of the patient.

The OPAL program:

- ✓ Provides evidence-based treatment recommendations that can be implemented immediately.
- ✓ Offers medication guidance for psychiatric conditions.
- ✓ Helps determine when a referral is truly necessary.
- ✓ Supports clinician decision-making with specialists' expertise.

NEW!

The Oregon Psychiatric Access Line (OPAL) Program Now Offers eConsults!

Providers can now access OPAL eConsults through the secure EpicCare Link (OHSU Connect) portal.

This service is available to all providers, regardless of the EHR system you use.
