

VIRGINIA IS FOR LOVERS OF WINE AND OYSTERS!

November is Virginia Oyster Month, and Virginia is quickly becoming known as the “Oyster Capital of the East Coast.” A great way to enjoy the experience is with local wines & oyster pairings along the **Chesapeake Bay Wine Trail** where the **7th Annual Fall Oyster Crawl** will be held **Saturday, November 9 and Sunday, November 10.**

Each of the eight participating wineries will be offering one or more delicious oyster dishes to pair with its wines. Several wineries will also feature live music. Tickets are not required. Normal wine tasting fees will apply at each winery and oysters will be available for purchase at market rates.

There are numerous oyster festivals and events like the traditional Urbanna Oyster Festival and the Chincoteague Island Oyster Roast. Many wineries feature oyster events which you will find listed in our Event section and at
