Just like wine, this festival gets better with age. Now in its 10th year in historic downtown Clarksville, the event features 16 Virginia wineries, selection of craft beer, live music by Jeff & Brian, Uncorked & Jared Place; great food from local restaurants and hand-selected artisans and local merchants. Seating will be available but feel free to bring your own lawn chair. Festival begins at noon, but plan to arrive early for the Seaplane Splash-in. Check out Events page on the website for all related activities.

Tickets are available online and at the Clarksville Chamber of Commerce. Virginia Avenue Mall. Tasting tickets in advance are \$25 and \$30 at the gate and include souvenir wine glass. Non-taster tickets in advance are \$12 and \$15 at the gate. This is a 21 and older event. No children, strollers or large coolers beyond the gate. Rain or shine. All festival proceeds benefit projects of the Chamber of Commerce.
