

## WINERY OF THE MONTH AUGUST 2018

### **WEST WIND FARM VINEYARD & WINERY** *Where the wine is truly family-crafted!*

Now in its twelfth year of operation, West Wind Farm Vineyard & Winery in Wythe County is the continuation of a generations-long farming tradition. The land has been in the family of owners Paul and Brenda Hric since 1914 and has evolved into one of Southwest Virginia's favorite attractions and a respected wine producer.

Located in the scenic hills and valleys near the New River, the setting is ideal for lazy summer afternoons and cool winter days by the fireplace. Legions of travelers and a loyal following of locals have discovered that great wine and hospitality can be had in all regions of the Commonwealth.

The tasting room at West Wind Farm Vineyard & Winery has been named a favorite tasting room on multiple occasions and boasts a carefully curated shop with an array of interesting items for sale hand-selected by General Manager Jason Manley. Just the second winery in Virginia to

be certified Virginia Green, West Wind subscribes to principals of sustainability the minimize impact on the environment.

The hillside vineyard features such varietals as Riesling, Gewurztraminer, Pinot Gris, and Chambourcin (*pictured*). Less than 2,000 cases of quality wine are produced annually by the family-run operation. Besides in the tasting room, you can catch the offerings of this small batch winery at various festivals throughout Virginia or at select retail and restaurants in the region.

Popular wines include Pinot Gris, a red blend called Galena Creek Red, and the flagship Heritage Reserve. Dozens of awards at regional and national festivals have been bestowed upon numerous West Wind Farm wines. The winery is especially known for its Summer Saturdays Concerts, a series of wine dinners, and the welcoming warm attitude of its staff.

The winery is easily accessible and just five minutes from both I-77 and I-81 near Wytheville. It is open daily year round to people that are new to wine or seasoned enthusiasts. We recommend you visit West Wind and enjoy their wines amid the splendor of Southwest Virginia.
