

**WE WERE THERE**

**THE TIDES TASTE OF SPRING**

**APRIL 22, 2017 – IRVINGTON, VA**

No matter the weather, you can't beat the Tides, and despite a bit of rain, a large crowd turned out for this annual spring event. There was lots of beer and wine, good music and a variety of foods, including fresh seafood, of course.

Cheers from the Tides!

A Little Rain Never Spoiled a Good Time.

Good Shot Judy ready to entertain.

No shortage of seafood.

The Kellers came all the way from New Jersey.

Great selection of craft beers.

The end of a great day (Carter Bonner and Gordon Slatford of the Tides).
