The festival will showcase more than a dozen Virginia wineries, cideries, and internationally featured wines for unlimited tastings! In a nod to Yorktown's sister cities, ticket holders can sample Rieslings from Germany and sparkling wine from France.

Back by popular demand is the Virginia Craft Beer Garden. Several food trucks and food vendors will be on site selling everything from seafood to BBQ, and more than 30 different local artists, businesses and attractions will be on hand.

There will be live entertainment all day starting with *Vinyl Headlights*, a fun group familiar to Yorktown, with a playlist that spans decades of hits from pop, rock, dance, country, and hip hop. *Party Fins* follow with the classics of Jimmy Buffet. Even the beer garden will have music, with the sounds of The Bryan Forrest Band.

Tickets are available for purchase at eight different locations throughout the county, as well as online: \$30 in advance / \$35 at the gates

Rain Date: October 6, 12-6pm

The Yorktown Wine Festival is presented by Village Events Ltd.. Proceeds benefit the York Foundation for Public Education and the Victory YMCA.
