**THE VIRGINIA TASTING CELLAR**

Farmville, Virginia

*Open Noon to 7pm Friday, 11am to 6pm Saturday and Sunday*

The recently opened Virginia Tasting Cellar is a destination Tasting Room in downtown Farmville where you can sample, learn, drink and purchase wine from an ever-changing line-up of 12 Virginia wineries. It offers the unique opportunity to taste wines or ciders in one location.

The Cellar is beautifully appointed and features pre-civil war, river side mule stables that have been remodeled with authenticity and respect for the past. The original 15-foot brick arched entry has an industrial iron and glass door that leads into a center area flanked by wine stables, with each stable featuring a Virginia winery or cidery. Tastings are \$10 for 10 tastes at any of the stables.

After tasting, customers can enjoy wine by the glass or bottle on the riverfront patio which has two fireplaces built into reclaimed wood walls and seating for 50. Outdoor heaters keep the patio warm and toasty during cold weather. [www.vatastingcellar.com](http://www.vatastingcellar.com)
