Enjoy Virginia wine, food and crafts at the 9th annual Shenandoah Uncorked festival on November 10 at American Celebration on Parade. Uncorked will feature 15 Virginia wineries, plus numerous local food and craft vendors. The festival begins at 10 am and wine stops pouring at 4:30 pm. Admission is free. Wine tasting is only \$15 and includes a souvenir glass. Also explore Shenandoah Caverns right next door--you'll get a special discount with your festival wristband!

For the first time ever, the festival will be almost entirely indoors at American Celebration instead of outdoors across the street at the Yellow Barn! Food trucks will still be outside, as will the antique tractors, and there will be both indoor and outdoor eating areas. It's a rain or shine event.
