

WINERY of the month

THE WINERY AT BULL RUN

Rich in History and Crafting Fine Wines

The Winery at Bull Run is a working farm vineyard focused on crafting fine Virginia wines while paying tribute to the history and preservation of 19th century pastoral Fairfax County. As the closest winery to Washington, D.C., they offer an escape from the hustle and bustle of daily life to a simpler time—where you can relax in the beautiful Virginia countryside with your family and friends and sip delicious, award-winning Virginia wine.

The Manassas Battlefield Park is the neighbor to the north of the Winery, so don't be surprised if Civil War reenactors occasionally pass by for tasting events. The Winery has a small Civil War museum with actual relics dug from the property. There are historical markers throughout the property documenting both the encampments and movements involved in the property's portion of the Bull Run battlefield.

A variety of fun events take place throughout the year including wine pairing dinners, specialty wine tastings, haunted wine tours, Civil War events, and much more. Every Friday, Saturday, and Sunday, there is live music as well as food trucks on site. For reservations for tours and tastings, go to <https://www.wineryatbullrun.com/Visit>

Offered Daily: Group Wine Tastings

Group tastings are offered for 8 to 20 people led by a dedicated winery staff member and include a tasting of the current flight of Bull Run wines and a souvenir wine glass to take home! (\$20 per guest)

Historical Tours & Tastings

Walk the historic estate while tasting Virginia wines, and learn about the rich Civil War history behind these breathtaking, hallowed grounds. This is a group tasting combined with a guided historical tour (\$36.50 per guest). A tour without the tasting is also available for \$26.50. Offered daily year-round.
