

## **Congratulations to Virginia's Top Wine! 868 ESTATE VINEYARDS' 2017 VIDAL BLANC PASSITO**

The 2020 Governor's Cup was awarded by Governor Ralph Northam to 868 Estate Vineyards for their **2017 Vidal Blanc Passito**. The winning wine was unveiled at the Virginia Wineries Association celebration on February 25.

All wines in the Governor's Cup competition must be made from 100 percent Virginia fruit, but the 868 Vidal 'Passito' represents the first winner made entirely from Loudoun County fruit. Produced by the Italian 'appassimento' technique of partially drying grapes to concentrate flavor, the winemaker halts the fermentation early to retain the natural grape sugar in the final product.

More than 530 Virginia wines were submitted into this year's Governor's Cup competition. There were 64 gold medalists, 12 of which were selected for the Governor's Case alongside
