

# BE A CAPED CRUSADER FOR CASA!

**Every child needs a hero, but abused and neglected children need superheroes.** Join forces with your Super Friends & Family by creating or joining a team and fundraising to help children who've been through abuse or neglect have the powerful voice of a CASA volunteer, a true superhero to guide them through the toughest moments in their young lives.

**CASA of Tarrant County** recruits, trains, and supervises local citizens with the necessary skills to be effective voices for children in court. These volunteers are trained and supervised to gather information that helps judges decide the best possible outcome for abused children in foster care. The ultimate goal is to help ensure that children in foster care find safe, loving, permanent homes where they can thrive.
