

# Earth Day Work Day

at **CAMP MOVAL**

**Sponsored by the Grape Cluster  
of the Eastern Association**

Come join other volunteers from around the Missouri Mid-South Conference as we help prepare camp for summer operation. Help is needed for a variety of indoor and outdoor projects. Have a skill to share? Please let us know. Bring your work gloves, boots, and your favorite equipment to help with trail maintenance (some equipment will be provided by camp).

Please email Alysha  
by April 20 if you plan  
to join us for lunch!
