REWARDING WORK
THAT FITS YOUR
SCHEDULE?**

Thacher Montessori School is looking for substitute teacher/assistants for Toddler through Upper Elementary classrooms. This is an ideal position for students who have scattered schedules with different availability throughout the day, or parents/grandparents looking for a flexible schedule. Sometimes you may be called for 2 hours, other times it could be an entire day. We are located in the heart of Blue Hills on Blue Hill Avenue. This role will be utilized for absences that are planned as well as late-notification situations. Whenever possible, advanced notice will be given to a substitute. Candidates should have good interpersonal skills, a calm demeanor, and previous experience with children. The hourly rate is in the \$20-22 range. If interested, please send a resume and email of interest to Vicky Varum at employment@thacherschool.org.
