

## The TPC invites the Thacher Community

to help support  
our Global Community...

The Thacher Parent Council is once again partnering with Equal Exchange, a worker-owned cooperative based in Canton that offers fairly traded products produced by small-scale farmers around the world. Products include organic chocolate, teas, coffee, hot cocoa and more!

**40% of the profit on each item sold will go to support Thacher!**

- If at least 100 families participate by spending an average of \$20 on items ranging from \$4 to \$65, we can reach our first fundraising goal of \$800! (last year we raised over \$1,000!)
- Catalogues with Order forms will be available during Parent/Guide Conferences and sent home to each Thacher family on October 30th.
- Order forms and payment will be due back Tuesday, November 20th. Items will be available for pick-up at the Around the World Brunch on Sunday, December 2 and the following week.
- Please include cash or check made out to *Thacher Montessori School*.

**Thank you for your support and Happy Holiday Shopping!**
