

Thacher Montessori School

Daily Health Attestation Prior to School Arrival

Is your child(ren) free from:

- Temperature of 99.5 or above
- Cough
- Nasal Congestion – *when in combinations with other symptoms, or not due to known causes such as allergies*
- Sore Throat- *when in combination with other symptoms*
- Headache-*when in combination with other symptoms*
- Rash-*when in combination with other symptoms*
- Difficulty breathing and/or audible breathing
- Gastrointestinal Distress such as nausea, vomiting, diarrhea
- Fatigue-*when in combination with other symptoms*
- A diminished sense of taste or smell (*often seen with unexplained lack of appetite*)
- New muscle aches

Please take your child's temperature and check for these signs and symptoms each day before dropping off your child(ren). Please email nursemoore@thacherschool.org if your child has these symptoms and if they will be absent or late for any reason.

For students with documented seasonal allergies, we understand that certain symptoms may be typical and expected.
