

## Cancellations, Delays, and Early Closures

Thacher will follow the schedule of the Milton Public Schools for **all-day school closings due to weather** while reserving the right **to make an independent decision to close school *even if the Milton public school system remains open.*** This ensures the safety of the staff and families who live far from Thacher in towns that can sustain weather conditions more severe than Milton. If Milton public schools are fully remote during inclement weather, we will make an independent decision and communicate it to the Thacher community. Please note, when the decision to close school occurs, **classes are officially canceled, and there will be no remote learning.**

Thacher announcements will be made on the following TV stations: WBZ (Channel 4) and WRKO (Channel 7). Closings will also be communicated through email and text blast, and posted on Thacher's social media sites. You can also call the Thacher cancellation and information line **781-897-5720** for closing/delay announcements.

If a mid-day or early closing is necessary, we will notify parents via email, the website, text blast, and on the cancellation line. Should a storm start while school is in session, please call us if you will not be at your listed phone numbers. We must be able to reach you in case of early dismissal. Should you feel that you need to retrieve your child early during a storm, you are welcome to do so. The safety of your child and family is our priority. You are encouraged to pick up your child at any time.
