### A 60-Second Video Salute!

**The 60-Second Salute is a fun and easy way to help us honor and celebrate our Kathy.** *This heartfelt montage of personal video tributes will screen on monitors in the Alice Education Center lobby, and play before and after the Celebration.*

So, whether you're able to attend the Celebration or not, we hope you'll consider sending in a 60-Second Salute for all to enjoy!

#### VIDEO SALUTE

- **Tape a 60-Second Video Salute with your cell phone**
  - *Share that one word that describes Kathy and what she meant to you; tell a funny story; recall a fond memory; pen a clever limerick; show-and-tell with an old photo you've got.*
- **Add your full name and an identifier (if you would like)**
- **E-mail your video to: [jonsatrom+@gmail.com](mailto:jonsatrom+@gmail.com)**
- **Time yourself. 60 seconds is the absolute limit!**
- **Have fun**
  - *Some tips for filming include making sure you have good lighting, filming in landscape (horizontal), and making sure you're able to be heard (not a ton of noise, speaking clearly, etc.).*
