

Affiliate Referral Program

We're thrilled to introduce our Affiliate Referral Program! It's our special way to thank you for sharing your positive experiences about Eleos with your healthcare friends and colleagues!

HOW IT WORKS:

- 1. Make a Referral:** Share the name, contact details, and desired positions of a healthcare provider who could benefit from our VHAs.
- 2. Referral Tracking:** Our team will monitor your referral to ensure timely credits and gifts.
- 3. Enjoy the Rewards:** If your referral leads to the successful placement of a VHA at a new site, you'll **receive a \$500 invoice reduction** after the VHA has been deployed for 30 days. Additionally, the referring person from your clinic will receive a **special appreciation gift valued at up to \$100** after the VHA has been successfully deployed for 30 days with the new client.

Thank you for helping us make a positive impact in our healthcare community!

Help Eleos spread the word, while you reap the rewards!

3 WAYS TO SUBMIT A REFERRAL:

- 1 Email your Integration Manager with the following information:** the referred company name, contact person, email address, phone number, and the positions they're interested in.
- 2 Submit your referral form online:** <https://tinyurl.com/EleosReferral>
- 3 Scan the QR Code:** Using your cell phone camera, scan this code to submit the referral information directly.
