RRCC Outdoor Education and Park Ranger Technology To Host Career Fair

LAKESWOOD, CO - Red Rocks Community College (RRCC) is pleased to announce the Outdoor Education and Park Ranger Technology program will host an industry-related career fair on Wednesday, January 30. This free on-campus event kicks off at 10:00 a.m. and is one of the largest in the state of Colorado.

With over 40 agencies and organizations attending, the Outdoor Education and Park Ranger Technology Career Fair is a great opportunity to explore jobs, internships, and volunteerships. This Career Fair is open to the public as well as Red Rocks Community College students. Some of the organizations attending include Rocky Mountain National Park, Outward Bound, NOLS, Avid4 Adventure, Boulder County Parks and Open Space, Women's Wilderness Institute, Thorne Nature Experience, and more.

The Outdoor Education program at Red Rocks Community College offers an experiential, hands-on education for students wishing to pursue an associate of arts degree with an emphasis in outdoor education. Students may also obtain the following outdoor education certificates: Intro to Outdoor Leadership (Warren Tech), Outdoor Professional (Guiding), Outdoor Industry Business/Management, and Wilderness Therapy Specialist.

The Park Ranger Technology Program provides training for those seeking careers in natural resource protection, interpretation, and management. Law enforcement, natural resource interpretation, public safety services and outdoor recreation/education are the major areas of concentration reflecting the needs of the industry.

For more information, please contact Dr. Sally Cirincione at 303-914-6238 or sally.cirincione@rrcc.edu.

More about Red Rocks Community College: Established in 1969, Red Rocks Community College delivers high-quality, affordable education programs leading to two-year degrees or professional certificates. The college serves over 13,000 students per year online and at campus locations in Lakewood and Arvada. www.rrcc.edu.
