

PAVEMENT PRESERVATION PEER REVIEW – FOR DOT’S AND LOCALS EVERY DAY COUNTS (EDC-4)

TLN Video Conference

6 Hours – Road Scholar Credits

December 5, 2018 (Wednesday) You must attend at a video conference site listed below and register through the TLN Learning Management System (LMS) <https://tln.learnflex.net>

NDDOT Locations: Bismarck Central, Bismarck District, Devils Lake, Grand Forks, Minot, Valley City, Williston, Dickinson

Other sites: NDSU, Quentin Burdick Bldg., RM 412, Fargo and NDLTAP/TLN Office Bldg., 515 ½ E Broadway Ave, Suite 101 Bismarck

9:30 AM – 4:30 PM CST

Registration Deadlines: November 28, 2018

Join us for a unique opportunity to find out what pavement preservation techniques are being used in our TLN region (i.e., Montana, Wyoming, South Dakota and North Dakota). The National Center for Pavement Preservation is putting together a team of DOT leads that will review various preservation techniques to initiate the open conversation of peers across our 4-state region as a part of EDC-4.

9:30 – 10:00 am (CT) - Group Introductions & Setting Expectations
10:00 – 10:45 am - 1st Treatment Discussion – Crack Sealing, Asphalt and Concrete
10:45 – 11:30 am - 2nd Treatment Discussion – Micro-Surfacing
11:30 – 12:15 pm - 3rd Treatment Discussion – Patching Asphalt
12:15 am – 1:15 pm - Lunch
1:15 – 2:00 pm - 4th Treatment Discussion – Patching Concrete
2:00 – 2:45 pm - 5th Treatment Discussion – Tack Coats
2:45 – 3:30 pm - 6th Treatment Discussion – Scrub Seals
3:30 – 4:15 pm - 7th Treatment Discussion – Dowel-bar Retrofits
4:15 – 4:30 pm - Summary & Wrap-up

Speaker (s) - This peer-to-peer exchange will be led by Larry Galehouse, P.E., P.S., Director Emeritus, National Center for Pavement Preservation, and Larry Scofield, Director, Pavement Innovation at American Concrete Pavement Association.

Target Audience: State and local agency designers, decision makers, planners, engineers and others responsible for road and street segments. DOT, county and city participation is encouraged.
