

Zero fatalities. Zero excuses.

## Infrastructure Safety Award - Program Rules and Criteria

The *Vision Zero Infrastructure Safety Award – Program* is designed to recognize organizations that have made a difference within their agency, community, or the state to be recognized. The program should be such that it implements or improves safety throughout the state, region, county, community, or organization regarding transportation related infrastructure. Recipients of this award have demonstrated long-term contributions to improve traffic safety.

The entity can submit a nomination for a program they have administered or enacted, or they can nominate another entity for the award. You may submit a form to recognize your agency or business (consulting or contracting). Please read the eligibility requirements and criteria below.

**Eligibility dates are October 1, 2019 – September 30, 2020**

**Nominations are due December 20, 2020**

### **VISION ZERO INFRASTRUCTURE SAFETY AWARD - PROGRAM**

- All entries in the *Vision Zero Infrastructure Safety Award – Program* must be based on promoting or implementing safety improvements or programs on ND's State or local road system, at any phase.
- Entries and supporting data will be reviewed by the Vision Zero Infrastructure Safety Award Committee and recipients will be selected.
- Recipients will be notified two weeks prior to the Vision Zero Summit.
- Award presentations will be made at the annual Vision Zero Summit awards banquet to be held virtually this year on April 12-16, 2021.
- NDDOT reserves the right to publicize the winners' name and the details of winner's improvements or program.

### **JUDGING CRITERIA**

- Resulting safety benefits to public, highway and/or bike/pedestrian safety, or workforce.
- Thoroughness of submitted entry. Attachments are encouraged but concise descriptions are required. Please limit the submission to no more than two pages.

Nomination forms can be mailed or emailed to the NDDOT Programming Division.
