### **Breakout Session Descriptions**

**Presentation** - Deborah Tracy, President and Therese Hawkins, Principal present an overview of Nazareth Academy. Joining them is a student who offers a first hand account of what it is like to attend Nazareth. A video presentation tells the story of all that Nazareth has to offer.

**Academic Achievement and the Modified Block** - Learn about the academic advantages of our modified block schedule and listen to educators and students share how they are “rocking the block”.

#### **Breakout Sessions**

(Choose two of the following offerings. Our Roadrunners will guide you to your locations.)

**Guidance & College Counseling** - Guidance Department members Melissa Byram and Brendan Green discuss how our Guidance department partners with students in the self-discovery and college planning processes.

**Technology in the Classroom** - Bethany Mager, Math Department Chair and Jess Radogno, Director of Curriculum and Instruction, explain the role of technology in the classroom while providing specific examples of how it enhances the curriculum.

**Alexine Chapel & Campus Ministry** - Janet Rausch, Campus Minister, Sr. Marianne Race, CSJ and Sr. Mary Jo Curtsinger, CSJ, discuss the vital role our Campus Ministry plays in the life of a Nazareth student. Visit the Alexine Chapel and hear from one of the Sisters about the chapel history and its longstanding legacy at Nazareth.

**Be YOU** - Kate Hamm, Director of Student Activities and Facilities, and student representatives are on hand to talk about all the opportunities available to students to get involved and grow as leaders outside of the classroom.

**Ask the Experts: Parent & Student Panel** - Laura Claxton, Media Center Specialist, moderates a panel of current students and parents as they answer any questions you may have about Nazareth Academy. Hear first-hand from the experts on the Nazareth experience.

There are opportunities to chat with coaches, educators and representatives from student activities before and after the Opening Presentation. All Student Activities representatives are in the Rooney Student Center and Academic Departments and Business and Finance are located in the Hanson Dining Hall.
