

## Gratitude for Your Generous Support

The amazing support of friends makes all the difference! You are an essential part of the team encouraging creative self-expression through the art of writing. Your generosity provides one third of the funding that keeps Women Writing for (a) Change and Young Women Writing for (a) Change strong and vibrant; it brings scholarships to women and girls of all ages, who could otherwise not attend writing circles. It supports outreach to urban teens; to young women at risk of or experiencing homelessness, through in-school writing circles. Your generosity reaches women who have experienced domestic violence; youth in after school programs and so very much more.

With gratitude and appreciation WWf(a)C recognizes all who made gifts in 2017, and those who are honored or remembered with these gifts. **Thank You!**
