

**Girl Scouts Recognize WWf(a)C as
2016-2017 Community Partner
Of Excellence!**

Community Partners of Excellence are recognized for "outstanding service and support of the council's mission to helping girls find their "spark.""

This year we served Brownies, Cadettes and Junior Scouts all over the Tri-State.

In February, three Cadette troops in Delhi participated in the Screen Writer Badge Activity. Fourteen Cadettes each wrote her own 10-minute play! In the Cadettes' words "I like how we got to use our imagination." It was awesome to listen to everyone's play...

In March, twelve Lebanon Girl Scouts requested a special program around "developing and giving voice."

In April, fifteen Brownies worked on the My Family Story Badge at Ayers Elementary.

If you are a Girl Scout or Troop Leader and are interested in any of our Girl Scout writing opportunities, please call 513-272-1171. We would love to do a program with you!
