Highgrove Nutrition

**459 Center Street
Riverside, CA - 92507
951-341-6634**

Senior Nutrition Programs and Services provide nutritious meals to seniors throughout Riverside and San Bernardino Counties serving 2,500 seniors a day. Our program assists seniors and their loved ones in helping to maintain their independence.

The Senior Nutrition Program provides two separate services; The congregate or “Group Meals” served at our Community Centers, and the Home Delivered Meals known as the “More Than A Meal” program.

The Group Meals provide

- * Warm, delicious and nutritionally balanced meals to seniors in a group setting.
- * Seniors are able to socialize with others and experience nutritional training seminars which assist them with eating a more balanced and healthy diet.

The More Than a Meal Program provides

- * Healthy meals feeding seniors, body, heart and soul.
- * It also allows seniors the chance to remain living at home independently for as long as possible, while being assured that they receive at least one nutritious meal each day
- * The additional benefit comes from the social contact they have with their driver’s who deliver their meals. It may be the only interaction they have in a given day and combats that terrible isolation that many home bound seniors might experience.
