

Meet the 2023 Vestry Candidates

My name is **Rebecca Bird**, but you might know me as Rebecca Gantzer. I've been a member at St. Andrew's for 15 years. In that time I've had the pleasure to serve with our youth, on several search committees and the vestry, periodically volunteer with Saturday breakfasts, and sing in the choir. I work in the pharmaceutical industry and live in San Marcos with my husband Tony (we married earlier in 2022!) and my 10-year old dog, Sydney.

My name is **Michael Reichle**. Bonnie and I joined St. Andrew's in 2008 shortly after we returned to Cardiff from Sacramento. I served on the St. Andrews' vestry from 2010 through 2012. My ministry interests include adult spiritual formation, pastoral care, and worship. I hope to continue my contributions in these areas as a member of the vestry. I also enjoy cooking and we enjoy travelling.

Hello, I am **Richard Spooner** and I am honored to be a candidate for a position on the Vestry at St. Andrew's. I am excited to offer my background in project and senior management in the software industry to the church. I have been a member of the parish for over 27 years, during which time I have enjoyed being a lector, an usher, and the lead usher. I have been married to Anne for 32 years, have two adult children, and live in Carlsbad.

My name is **Carolyn Zollars** and I have been married to Ron for 39 years. We moved to the San Diego area from the east coast just days after our marriage and have lived here since then. It's a hard place to leave! We have two grown children ages 26 and 30, Liz and John, whom I was fortunate enough to be a full-time mom to for 15 years. We have been members of the St. Andrew's "family" for more than 20 years. We were drawn to our church for its incredible outreach work and the diversity of our members. I have served on St. Andrews' vestry in the past as well as on the board of the Episcopal Refugee Network. I most recently served on St. A's Stewardship Committee and prior to that, an HR committee. I enjoy creative problem solving, working with people of different perspectives, and teamwork. My career is in nonprofit fundraising for which I currently do consulting. My hobbies include walking the beach and reading in my backyard.

**The election will take place at the annual meeting
