

## **Corporate Matching:**

*You can double or triple your contribution to Holy Name School by taking advantage of your employer's corporate match benefit*

### **Frequently Asked Questions:**

**1) What are Corporate Matching Gift Programs?**

A corporate “**matching gift**” is a donation made by a corporation or foundation on behalf of an employee, that matches that employee’s contribution to a nonprofit organization. This can **double, triple, or even quadruple** your contribution to our school!

**2) What donations qualify?**

Corporations match cash gifts such as donations to the Fund- A Need. In addition, donations that exceed the face value of items purchased at the auction are also eligible for corporate matching. This means that your **employer may be willing to match** all or part of your **donation** amount with its own donation to Holy Name School.

To our knowledge, the following local companies offer a matching gift when their employees make a personal donation to a nonprofit organization. (If you're aware of any companies that should be added or removed from the list, please **email: [holynamauction@yahoo.com](mailto:holynameauction@yahoo.com)**) If your employer is listed below, please contact your Human Resources department for information about your company’s program and required forms. Information may also be available on your company’s intranet. Completed forms can be returned to the school office. Thank you for your continued effort to support our school!

## Bay Area Companies that Match Employee Donations:

3Com Corporation  
3M Foundation
