

Seeking Employment as a Sports Physical Therapist

Unique opportunity for the right candidate to be a part of a growing cash-based (no insurance companies dictating treatments!!!) Physical Therapy and Athletic Development facility in S. Natick, MA. Work and learn along side experienced clinician who has a strong passion for mentoring, teaching, and promoting entrepreneurial skill set. Ideally, this setting would be for an experienced clinician(2-5 years experience) who is looking for an edge in their manual therapy, and sports performance rehab programs. Advanced Manual therapy on- the job training and mentoring included. We are serious about delivering exceptional physical therapy and sport performance training and are looking to grow with the right team.

PT PROGRESSION is currently accepting resumes from Licensed PTs skilled in prehab, rehab therapy and sports performance and desire to be an enthusiastic member of our team devoted to significantly improving the physical aspects of people's lives. We offer a flexible part-time/ full time position suitable to accommodate various schedules and in a unique, desirable neighborhood west of the Boston area. Feel free to contact us to inquire how employment with PT PROGRESSION may be right for you.

Please send resume and cover letter to:
Shawn: ptprogressionma@gmail.com

We look forward to meeting you!
