

PT PROGRESSION

Are you a healthcare-based medical practitioner looking to grow or start your practice and be part of a community-based collaborative?

Newly renovated space is available for lease in highly desirable South Natick.

Includes:

- private practice room and bath
- common area maintenance
- landscaping and snow removal
- private entrance to bathroom
- utilities and all other expenses included
- 2 parking spaces
- easily accessible

We are looking for healthcare providers who are committed to providing a truly integrative approach to serve our physical therapy patients and the community.

Dog lovers encouraged to inquire.
