July 2021 Volunteer Update

We are now halfway through the year, and with that, our attention turns towards the approaching school year! KCM is actively seeking a volunteer to join us as a tutor as part of our "Homework Buddies" after-school tutoring program. The volunteer will need to have a STEM background, as we need a tutor proficient in math and science.

Those interested are highly encouraged to email KCM Volunteer Coordinator, Diana Miller at **Diana.Miller@ktcm.org**.

In addition to the tutoring position, we are also actively looking for multiple volunteers to join our team at the KCM Crisis Center as receptionists. In this role, volunteers will be asked to work in Office 365, answering phones, and assisting KCM Advocates with other various needs as they arise.
