

# WAYNE HAMILTON BLANKS SERVICE IN RECOVERY AWARD

*The Wayne Hamilton Blanks Service in Recovery Award was developed to honor Wayne Blanks, a former Chair of the RBHA Board of Directors. During his life, Mr. Blanks became known in the local, state, and national addiction-recovery community for his service and leadership. In addition to his role with RBHA, Mr. Blanks and his wife founded Richmond Aftercare II Inc., and he served on the Board of Directors for the McShin Foundation and the Substance Abuse and Addiction Recovery Alliance of Virginia. He also served on the Richmond Behavioral Health Foundation Board of Directors. Before his untimely death, Mr. Blanks celebrated 22 years of living clean.*

This award was established in 2016 and is given in the name of Wayne Blanks, to honor his spirit and character and to remind all of us that recovery is indeed possible.
