

## PRAYERS

Longing for Christ's kingdom to come, we pray for the church, the world, and all in need.

*A brief silence.*

Holy God, let justice roll down like waters over this world. Send your Spirit of peace and reconciliation to our divided country. Inspire your church to be a light to the nations. Awaken us with your grace, and make us ready to meet you in our neighbor. Lord, in your mercy,  
**hear our prayer.**

Holy Creator, surprise and delight us with the beauty of the earth and rouse us to care for it. Bless the work of environmentalists and scientists, especially all who are combatting the coronavirus pandemic. Lord, in your mercy,  
**hear our prayer.**

Holy Protector, guard the lives of active duty and retired military personnel, for whom we give thanks this Veteran's Day. Heal wounds, physical and mental, experienced by service members. Lord, in your mercy,
