Few Important Things to Note:

- If your child is registering for more than one program (E.G. Ilumin8 and Spirit Confirmation), you will need to add their names TWICE to your family household. This is one of our genius hacks to make our registration work for our Parish.
Joseph, Mary, Jesus, Jesus
- Fusion New and Returning
If your family is registering for Fusion, you will only need to register the head of your household. This allows us to assign only one fee for your entire family. Later in the registration process, you will be asked to list all family members, grades, and other important information.
- Medical, Photo, and Activity Release
These required releases have been combined into one document. Once you submit your family's registration, you will receive a confirmation email with a link to this document. It is very important that this last step is completed so that we can keep your family's privacy and health as a top priority. Your registration is NOT complete until this document is completed. We are required by the Diocese to have this information on file.
- Registration Questions
Our Faith Formation Team will be available through email, FaithFormationTeam@ourladyofthepines.org, and will respond to you within 48 hours by email or phone call if needed. To help us keep respond more quickly, please only use this email address for questions.

Confirmation Ministry Q&A

What are this year's Confirmation Ministry options?

For 2020-2021 there are ordinarily two preparation options:

- **Spirit:** See Page 3
- **FUSION!:** See Page 2

Who is eligible to be Confirmed?

As per the Bishop's request, the Sacrament of Confirmation is ordinarily conferred on children in the 8th grade or above. We encourage those at this age level to discern, with the support of their parents, if they have a desire to be a full member of the Church.

One year or two year program?

As per the updated Diocesan Guidelines, it is required that those who wish to be fully initiated into the Catholic Church through Confirmation be active in Faith Formation the year PREVIOUS to beginning Confirmation Ministry. The Confirmation Ministry itself is a one year process.

What large group sessions are candidates asked to attend in addition to their monthly Confirmation session?

We ask that all candidates and their families be our special guests at the "5th Saturday Whole-Community Celebration (date TBD). This celebration will be a fun and faith-filled celebration with a good mix of music, learning, prayer, all to bring us closer to Christ and His Church.

What about Service?

Service is more than an action. It is an attitude. Each candidate is to discern their gifts and talents and how they can use them in better service to their family, parish, community and world. There will be sponsored opportunities throughout the year

that candidates are expected to attend.

Will there be sessions for candidates & sponsors only?

As a special part of our Confirmation preparation, there will be a "JUST US" Retreat Day for **both Sponsors and Candidates**. Date to be announced.

How should a candidate pick their sponsor?

The Church has asked that candidates chose their sponsors personally. Sponsors should be at least 16 years of age, fully initiated, practicing Catholics, and not the mother or father of the candidate. Canon Law states that it is preferable that the sponsor be the baptismal sponsor so the link between Baptism and Confirmation is clearly defined.

When is the Confirmation Celebration?

Confirmation will be celebrated with one of our Bishops after Easter 2021. Once the official date is released by the Diocese we will communicate it to all families involved, including our parish family.
