

Central Gulf Coast District Children's Project 2025-2026

The people of Guatemala need to know the saving power of Jesus Christ.

JESUS Film Harvest Partners are sharing Christ with the people through the JESUS Film, but they are in need of film equipment.

You can help by praying and giving to the District Children's Project.

2 Corinthians 5:20 says, "We are therefore Christ's ambassadors."

**Will you be an ambassador
for Jesus
and give today?**
