

## Lower Hudson Regional Partnership Center (RPC)

# Understanding the Individualized Education Program (IEP) Process for Parents of School-Age Students with a Disability

During this **in-person** training we will explore the IEP process. Participants will gain a fundamental understanding of program planning as well as the specific components of the IEP document. Join us as we look at the roles parents and families play in this process. We will explore how to develop collaborative relationships between families and educators to support the IEP process.
