JA Excellence Through Ethics™

HIGH SCHOOL GRADE LEVELS: 9-12

This 13-session program is a great way for students and their families to confirm what we *do* know – that the importance of education remains relevant every day!

These activity-based lessons will help students practice and hone their skills to think critically *and* creatively. Each lesson/activity may need to be modified to meet the needs of the student(s) you are supporting as they learn from home.
