"The Mayor's Christian Fellowship has provided me a group of counselors and confidants with whom to share the blessings and challenges of leading a city. Taking the time to pray weekly with fellow mayors for each other and our communities has been the most powerful and positive experience in my role as a Mayor." Deb McMillan, Mayor City of Victoria

"I was invited to join the Mayor's Christian Fellowship and enthusiastically agreed. Knowing that leadership requires faith on many levels, it's been comforting to know other mayors and elected share a common faith in God and in each other. If you want to go fast, go alone. If you want to go far, go together." Jimmy Francis, Mayor City of South Saint Paul
