## PCPI Cooperative Spirit and Emergency Grant Application

PCPI is offering grants this year in two separate categories: the Cooperative Spirit Grant and the Emergency Grant programs. Applications for both will be sent to the same email address.

The Cooperative Spirit Grant is for schools who have an idea for increasing parent involvement and participation by designing a project that will make their school a better place for their children and leave a legacy for future classes, as it also provides an opportunity for bonding and a sense of community among the school's members. We realize things will look different this year as we deal with Covid safety. The guidelines are open - be creative!

The Emergency Grant is for schools having financial difficulties, especially due to the pandemic.

U.S. and Canadian preschools with direct membership in PCPI are eligible for both grants. Member councils may apply for a grant to fund a council cooperative project. The total grant amount for the Cooperative Spirit Grants is up to \$1500 to fund two or three programs. Each school may request from \$100 to \$1000. The total amount for the Emergency Grants is \$1700 for two or three programs and schools may request from \$400 to \$850.

**Grant requests are due by December 15 at**
