

2021 Summer Web Series: MBA/Master's Opportunities

Amazon Student Programs is excited to kick-off our 2021 *Summer Web Series* on Wednesday, June 30. Summer Web Series is a program of virtual events designed to expand your knowledge of opportunities available for MBA and Master's students at Amazon. We look forward to having you join us.

The goal of the *Summer Web Series* is to connect with students to:

- build awareness of the unique employment opportunities available at Amazon;
- create a community for connectivity; and,
- share examples of life at Amazon, navigating a virtual workplace, career progression, and resources for professional development.

Upcoming Topics

Women in Finance: Wednesday, 6/30/21 @ 10:00 am PT

The FLDP program supports employees by fostering an inclusive and supportive community. FLDPs grow through accelerated onboarding, exposure to leaders, unique experiential learning, and the support of past participants. Join us as we speak with women leaders in finance.

Women Leaders Across Amazon: Thursday, 7/1/21 @ 11:00 am PT

Join us as we speak with women leaders in various lines of business throughout Amazon.

Retail 101: Wednesday, 7/7/21 @ 1:00 pm PT

The Retail Leadership Development Program (RLD) is designed as a three-year program consisting of two job rotations with functional job training, leadership development, career guidance, and a large network of peers, and leaders. Join us to learn more.

Not Your Average Finance Role: Friday, 7/9/21 @ 11:00 am PT

Join us as we take a deep dive into the Finance Leadership Development Program. The FLDP program is more than just a program, it is a community of people sharing knowledge, providing support and building lasting relationships.

PM vs. PMT vs. PGM: Tuesday, 7/13/21 @ 1:00 pm PT

Join us as we discuss the differences between Product Management, Product Management- Tech, and Program Management. We will be joined by a panel of MBA Alumni.

Product Manager- Ideas to Actions: Thursday, 7/15/20 @ 11:00 am PT

Product Managers work cross-functionally to drive ideas from conception to execution, develop business models and marketing plans, define and analyze success metrics, and own the product end-to-end. Join us to learn about the lifecycle, and how MBA students make an impact.

Previous Recordings

You can see additional webinar recordings from 2020 on our [MBA/Masters Channel](#).

The World of Program Management: Wednesday, 7/21/21 @ 11:00 am PT

Program Managers take ownership from Day 1. They work to find solutions to complex problems within operations, logistics, demand planning, supply chain and impact the customer experience and the business. Listen to our MBA alumni share their expertise and experience in this role.

Product Manager- Tech: Tech Skills Dive & Demo to Ace the Interview: Friday, 7/23/21 @ 11:00 am PT

PMTs are expected to dive deep into the technology both from a product and customer perspective, working with software engineers and business partners to define, build, launch and grow new technology-driven products and services. Join us to learn more about this and the tech skills component to the interview.

Women in PM & PMT: Thursday, 7/29/21 @ 11:00 am PT

Join us as we speak with women leaders in tech throughout Amazon! This webinar will be a dialog and focus on career progression, and professional and personal growth experienced among women in Product Manager and Product Manager- Tech roles at Amazon.

Women in Retail: Thursday, 8/5/2021 @ 11:00 am PT

Join us as we speak with women leaders in RLD. This webinar will be a dialog and discussion, demonstrating the career growth and professional insight from women in retail.

Demystifying the Online Assessment: Tuesday, 8/17/2021 @ 11:00 am PT

Join us as we speak with recent MBA hires to discuss their experience and advice with the Online Assessment.

Mock Interviewing: Wednesday, 8/25/21 @ 11:00 am PT

The application and interview process at Amazon allows us to get to know you- a time to share accomplishments, team collaboration, and growth. During this webinar we will provide examples of strong interview responses and how to help you best prep. We hope to demystify the process, answer your questions, and get you excited about the journey!
