

# Boulevard School Math and Science Night

Math and Science Night  
Shaker Heights High School  
Wednesday, November 16th, 6:30 pm

Do you think you can solve your way through the math maze? Shoot the fastest balloon rocket? Make the slimiest slime or the largest dry ice bubble? If so, come out and see how fun STEM can be at Math and Science Night at the High School, with games, prizes, planetarium shows and more!
