SUMMER BASEBALL CAMP / 2018

Entering its 12th year, the **Shaker Heights High School (SHHS) Summer Baseball Camp** strives to help improve the performance of baseball players of all ages/skill levels. Campers will learn the fundamentals of being a successful hitter and pitcher at any level with an emphasis on mechanics, quality drills, mental/physical approach, and program philosophies to help build a strong foundation for present and future success. Due to typically excellent coach-camper ratio, this camp is beneficial for all ages/skill levels. Baseball-specific and age-appropriate instruction will take place in engaging and fun one-to-one and small/large group settings to help meet each camper's needs and ability level.
