

PLEASE PRAY!

There are many needs out there, and prayer is powerful. This is a good list to run down daily during your prayer time. It will cover many people and many present needs!

- All those on the church family prayer list
- Those impacted by fires in our area
- Those who have lost loved ones to the COVID 19 pandemic
- Those who are hospitalized and struggling for their lives. They are unable to receive visitors. We pray for their families too.
- Our sister church in Cuba and the entire island's population, as food is now scarce due to the restrictions caused by the virus.
- People who have lost their jobs throughout the US and are struggling to feed their families and pay their rent.
- Those in long-term living facilities/communities that have been isolated from family members for many weeks.
- Business owners who may have already shut down permanently without sufficient funds to reopen.
- The healthcare workers and first responders on the front line who are risking their lives every day for us.
- Other essential workers who are also risking their lives each day.
- Marriages and families falling apart due to close quarters and stress
- Women and children experiencing increased domestic violence in these stressful times
- People on the edge of losing sobriety and those who are dealing with addictions
- Our economy
- Leaders throughout the world. We pray they make wise decisions.

Pray for God to eradicate this killer, heal the sick and comfort all those impacted.
