

Dear St. Mark's Students and Families,

For the 2020-2021 academic year, St. Mark's School and E&R – The Campus Laundry will once again partner to provide laundry services to all interested students to better meet our community's needs.

For many years St. Mark's School has partnered with E&R Cleaners - The Campus Laundry. This has been a way that E&R can help ease students into campus life by offering them a break in their increasingly busy schedules. Today, the service E&R provides students is more valuable than ever. **We are fortunate to have E&R's near 100 years of cleaning expertise available to you and strongly recommend that you take advantage of their services to help your student keep as clean and safe as possible.**

E&R takes the health and safety of each student and each of their employees seriously. Below are the protocols E&R is following.

- E&R employees follow social distancing guidelines while on campus and in their facility.
- All employees including drivers are provided with gloves, masks and PPE while servicing the schools.
- Continuing our standard practice that every laundry bag is always washed each and every week.
- All stations at E&R are cleaned and sanitized several times per day, in accordance to CDC & WHO guidelines.
- Each delivery vehicle is cleaned and sanitized daily.

E&R offers a variety of plans that meet all wardrobes and budgets and are designed to allow students to focus on their academics and, make the most of their limited free time. We strongly recommend that you consider one of E&R's plans, which are currently available at E&R's early registration rate.
