

# Introducing The Current Events Club!

On Tuesday, November 21<sup>st</sup>, the Venture Team known as the *Current Events Club* from Fitchburg High School presented the premise of their Venture to a community panel consisting of Sam Squailia, *Fitchburg City Councilor-at-Large Elect*, Jennifer Jones, *Board Member of Fitchburg Cultural Alliance*, Donata Martin, *Executive Director of the Boys & Girls Club of Fitchburg and Leominster*, and Margaret Magennis, *Member of Guidance Department of Fitchburg High*. The panel was asked to determine whether they believed this Venture was ready to be launched, and upon the presentation of their ideas, motivations, budgeting plan, and next steps, the *Current Events Club* was launched and granted their full \$600 in requested seed funding!

The mission of the *Current Events Club* is to discuss and enhance FHS students' understanding of global, national, local and school events through taking part in service opportunities that they feel passionate about.
