

## PTSD Team

Makes a Difference for

# Veterans Day

On Thursday, November 9<sup>th</sup>, the PTSD Venture Team hosted a Veterans Day-themed Trivia Night at the Tavern on Central in Ashburnham, MA.

**PTSD** (or *Pathways to Successful Health Development*) is a Venture Team that launched in March of 2017 out of Oakmont Regional High School with the mission of bringing awareness to the struggles faced by those suffering from Post-Traumatic Stress Disorder.

The very well-attended event, emceed by "Jimmy HD," consisted of great tavern food, trivia questions pertaining to U.S. Armed Forces/Veterans Day, raffles, prizes, and free gifts to any veteran in attendance.

The fundraiser brought in a grand total of **\$810** that will go towards PTSD's efforts to continue their mission and help those in need.
